

III. MAJOR CONCERNS FOR THE CURRENT YEAR

The following issues require special attention in 2023-2024:

- 1. To strengthen students' learning initiative and confidence through self-directed learning, to broaden students' learning experiences through formal and informal curriculum, to optimize the use of e-learning elements in learning and teaching.*
- 2. To strength students' capabilities on stress management, to instil the law-abiding awareness, appreciation and gratitude in students and to promote a sense of obligation for being responsible citizens nationally and globally.*

本年度關注事項

1. 通過自主學習增強學生的學習主動性和自信心；透過正規和非正式課程拓寬學生的學習體驗；優化電子學習元素在學與教中的運用。
2. 加強學生壓力管理的能力；培育學生成為自律守規、懂得欣賞及心存感恩的人；加深認識國民身份及世界公民的義務。
