

MAJOR CONCERNS FOR THE CURRENT YEAR

The following issues require special attention in 2021-2022:

1. To reinforce students' learning autonomy and confidence through self-directed learning, to strengthen students' learning experiences through the formal and informal curriculum, to deepen the e-learning for effective learning.
2. To cultivate a positive mindset in students, to nourish personal attributes in students and to widen students' vision on the national and global levels.

本年度關注事項

1. 通過自主學習提升學生學習的自主性和信心；透過正規和非正式課程以豐富學生的學習體驗；深化推行電子學習，以達致有效學習，激勵學生成為積極主動的學習者。
2. 培養學生積極向上的心態、良好的個人品格，並拓闊學生在國家和全球層面的視野。
