MAJOR CONCERNS FOR THE CURRENT YEAR

The following issues require special attention in 2026-2027:

1. To advance self-directed learning by using AI tools to enhance students' academic achievements; to equip students with essential generic skills for upcoming challenges; and to further reinforce a supportive environment for learning.

2. To foster a resilient community that nurtures students' well-being; to instil positive values in students with the emphasis on perseverance and bravery as the top priorities; and to consolidate students' self-assurance in pursuing their dreams through the lived experience of national identity.

本年度關注事項

1. **藉人工智能推動自主學習，以提升學業成就；賦能學生掌握核心通用技能，以應對未來挑戰；營造認真專注的學習氛圍。**

2. **建構具韌性的校園社群，促進學生身心健康；優先培育學生堅毅與勇氣等正面價值觀；並藉由實踐國民身份認同，鞏固學生追尋夢想的自信。**
